Draw Near – I Pursue
Taught on December 9, 2018

Have each person take turns describing their personality.

Read Psalm 139:13-16. What words come to mind about how God made you?

Read Jeremiah 29:13-14a and James 4:8. How have you historically drawn near to God?

Sunday's message listed six different spiritual pathways for relating to God (Nature, Worship, Intellectual, Contemplative, Activistic, Serving). As a group, take turns saying what you think is your primary and secondary pathway.

Now go through each pathway identified by your group and discuss ways to lean into that pathway in order to grow closer to God.
