LIVING HOPE – Anchored in Hope  
Taught on April 28, 2019

How would you define hope? (there are no wrong answers!)

Describe a time when you felt hopeless or continually discouraged. How did you move forward?

Read 1 Peter 1:3-5

What can you identify in these verses as giving hope? (Jesus' resurrection, inheritance, God's keeping our inheritance in heaven, God's power in guarding us, etc.)

On a practical level, how are these elements a source of encouragement in our day to day lives?

Read Hebrews 6:18-20 (note: the two unchangeable things are God's oath and his promises)

What does the impossibility of God being able to lie mean to you in giving hope?

How does one flee for refuge to God?

Read Lamentations 3:21-26

Choose one thing in this passage that is a hope-renewer for you and explain why.
